## UNLOCK YOUR FULL POTENTIAL

### BY MAKING A DIFFERENCE IN PEOPLE'S EVERYDAY LIVES.

Water and Wastewater Operations Specialists are imperative for communities to have access to clean drinking water and to ensure wastewater effluent is returned to the environment properly. Without these highly trained individuals, communities will fail to prosper or eventually even exist.

## Why Apprenticeship?

- Earn while you learn
- Gain practical skills you can take anywhere
- Make a real difference in the community
- Train alongside an experienced technician (2-year program)

**Close to 50%**  
of the  
Water / Wastewater Operations  
Specialists plan to retire in the  
**next 3 to 5 years.**

## SECURE a great CAREER in the Water/Wastewater Industry!

- 💧 Every community is required to have a certified Water / Wastewater Operations Specialist
- 💧 Stable / Non-Fluctuating Industry
- 💧 Empowering / Sense of Pride

This nationally recognized training program was developed in response to the industry's need to train the next generation of skilled workers and standardize training across the state of New Mexico
