Demo Opportunities

Participate in one of our most popular events by giving a hands-on demo class at your booth on Wednesday morning. Attendees earn certification credit by rotating among participating exhibitors' booths in round-robin sessions. Demo classes must teach a skill or present knowledge to attendees, (not a "sales pitch" for a specific product).

An NMRWA representative will distribute demo sign-up materials to interested booths prior to demo classes.

NMRWA welcomes professional presentations for our accredited conference classes. Apply online at <https://nmrwa.org/volunteer-instructor/>

## Raffles & Fundraisers

You are welcome to raffle items at your booth at any time, or you may provide an item for the door prize raffle. The door prize raffle will be held at the Meet and Greet on Tuesday, April 14, in the Grand Ball Room Exhibit Hall. Winners must be present to win at the door prize raffle.

Support NMRWA's lobbying efforts by donating an item to or by purchasing raffle tickets for our Political Action Committee (PAC) raffle. PAC donations allow the NMRWA Board of Directors to represent rural systems on both the state and national levels. The PAC raffle drawing will be held on Thursday, April 16, immediately following the final conference classes. Winners need not be present to win from the PAC raffle.
