

New Mexico Rural Water Association Southern Fall Conference

Hotel Encanto de Las Cruces November 17-19, 2020

Invitation to Attend

NMRWA's Southern Fall Conference is *the* event this fall for water and wastewater professionals in New Mexico

Take advantage of a golden opportunity to expand your knowledge in the water and wastewater industry. No other event in New Mexico offers attendees and exhibitors the possibility to network and learn with all types of water professionals, system board members, state agency representatives, and legislators all together in one location. Whether you are trying to become certified for the first time, seeking the latest technologies to solve real problems, or getting practical information to help you perform your job better, this is the conference for you. Be a part of the largest, best grassroots water organization in New Mexico and register today!

Registration

Full conference registration includes access to all classes, the Exhibit Hall, and each meal event.

How To Register

Online: Register at www.nmrwa.org and pay with your credit card, check or request an invoice. Place a secure transaction with no extra fees.

Fax your registration form to our office at 505-884-1032. Please submit one form per attendee.

Phone us at 1-800-819-9893 to register.

The New Mexico Rural Water Association (NMRWA) is a non-profit organization with over 485 water and wastewater system members, representing over 1,180,000 New Mexicans. NMRWA strives to provide the highest quality training and technical assistance, and to represent the legislative and regulatory interests of our members

Hotel

Our Southern Fall Conference is held at the beautiful Hotel Encanto de las Cruces, a premier 4-star hotel in the Spanish Colonial tradition. Call the Hotel Encanto at 575-522-4300 for reservations.

Classes

Our Southern Fall Conference features high quality classes, workshops, and hands-on training sessions. All classes are taught by qualified experts in the industry. Operators, samplers, and board members receive certification credits by attending accredited classes. **Attendees can earn a total of 18 credits by attending the Southern Fall Conference.** Our training tracks are Water Systems Exam Prep, Wastewater Exam Prep, Drinking Water Regulation, Advanced Topics in Water, Management Leadership, Tribal Systems Workshop, Wastewater Collections, Infrastructure Funding, and Hot Topics. The class and event schedule will be available soon at www.nmrwa.org.

Certification Exams

There will be no exam after the conference. For information call NMED at 505-827-2802 or visit their website at www.nmenv.state.nm.us/swqb/UOCP.

Exhibitor Demonstration Classes

Demonstration Classes allow for hands-on instruction in a small group setting. Classes are offered in 30-minute time blocks on Tuesday morning beginning at 8:00. The classes take place inside the Exhibit Hall at the Exhibitor's booth. There are four sessions and attendees attend a new class during each session with 5 minutes between each to allow time for rotation. Separate registration with special instructions will be included with your Conference materials. Demonstration classes are always popular and space is limited, so early registration is highly encouraged.
