Training Opportunities

Participate in one of our most popular events by giving a hands-on training class at your booth on Tuesday morning. Attendees earn certification credit while you demonstrate your knowledge. Demo classes must teach a skill or present information to system operators (you may not make a "sales pitch" for a specific product). List your proposed topic on the application form if you are interested.

NMRWA welcomes professional presentations for our accredited conference classes. Apply online at www.nmrwa.org/volunteer-instructor.

Raffles & Fundraisers

Please list any items you wish to raffle on the application form - we can help you get the maximum impact from your donation by coordinating with conference events. You are welcome to raffle items at your booth, or you may sponsor a door prize raffle using participant event tickets.

Support NMRWA's lobbying efforts by buying tickets for our Political Action Committee (PAC) fundraiser. PAC donations allow the NMRWA Board of Directors to represent rural systems on both the state and national level. We will be giving away Visa Cards and many other unique items to lucky winners at our 42nd Annual Conference, April 2020.
